

## REPUBLICAN PARTY OF PIERCE COUNTY MEMBERSHIP

Most Wisconsinites don't realize that county party work is strictly volunteer. None of us are reimbursed for the hundreds of hours donated to education, promotion, administration, and election efforts.

Your 2026 membership dues and contributions help to pay for our Pierce County Fair booth, fall picnic, storage unit, promotional materials, headquarters and Victory Center, special events, and contributions to Republican Candidates.

To spread RPPC's support across local, county, state, and national candidates who 1) oppose government funding of abortion and more reliance on government subsidies in all areas of life, and 2) who support individual freedoms and public education transparency, **we are asking for your continued support.**

A membership renewal keeps you eligible to receive notices of special events including candidate meet and greets, and attend our county, district, and state party caucuses.

**\* If you want to be a voting delegate to help direct the operations and endorsements of the Republican Party of Pierce County, current and new members must have their application submitted 30-days prior to the county caucus, and be a member in good standing as defined in the Constitution of the Republican Party of Pierce County (which includes volunteer hours with the county party or a republican endorsed candidate).**

We look forward to your renewal and support for 2026, to help return our state, county, and school boards, to the land of constitutional freedoms, rights, opportunities, justice, and rule of law.

Please include an accurate email address with your membership form so you can receive timely information.

Membership application included in this mailing.

We must focus on defeating Democrats pushing destructive policies, and support conservatives even when we don't agree with them 100%. Internal party division is a prescription for failure.

## PLEASE CONSIDER AN EXTRA DONATION

Thank you for your continued support of the Republican Party of Pierce County, WI. Your generosity has made a significant impact, allowing us to fund a Victory Center during the 2020 and 2024 election cycles, donate to Republican Candidates that represent Pierce County, hold events that help us spotlight our candidates, and to meet our financial obligations for the year which include the Pierce County Fair booth, various community tabling events, storage unit, signs and our meet the candidates picnic.

In 2026 we have another year of **EXTRTEMELY IMPORTANT ELECTIONS** that will require our wholehearted support.

- In April there is an especially important race for the Supreme Court. Liberal justices are now a majority on the court and if we lose this race we could be on our way to becoming another California.
- In the Primary Election in August, we need to seat good conservative candidates to stand for us on the ballot this fall for national and state offices.
- In November we need to re-elect Derrick VanOrden to the US House of Representatives and our current State Representatives, Shannon Zimmerman, Trieg Pronschinske and Rob Kreibich
- In November we also need to elect Republicans to the state offices **to end the liberal rule of Governor Evers and his fellow democrats.**

Your additional support will allow us to budget and plan for election year events, print materials to reach out to new Pierce County residents in registration drives, Get Out the Republican Vote drives, and fund a RPPC Headquarters (Victory Center).

Every donation, regardless of size, helps our efforts. The Republican Party of Pierce County is a 100% volunteer organization that uses 100% of donations from our generous supporters on voter contact efforts. **We need your support to help keep the Trump Agenda moving forward.** We have made considerable progress, but we need to continue the fight. We know the Democrats are pouring outside money into their campaigns to win the minds and votes of Wisconsin residents.

Send your donation to RPPC, PO Box 539, River Falls, WI 54022 or scan the QR code to contribute. Note political contributions are not tax deductible.

Thank you for being a vital part of our mission.

Together, we can **KEEP WORKING TO MAKE AMERICA GREAT AGAIN.**

Sincerely,

Republican Party of Pierce County Executive Committee Members:

Stephanie Potton, Chair; Ruth Gredvig, Vice Chair; Carrie Falkofske, Treasurer;

Joy Peterson, Secretary; Ken Peterson, Parliamentarian
